**For immediate release:** November 21, 2007

## **J. Edward Roush Lake presents “The Silence of a Winter’s Night”**

Join us January 26, 3 to 7 p.m. for this unique event to learn about owls and their life in January. Pre-registration is required, call the Upper Wabash Interpretive Services at 260-468-2127.

Participants will enjoy an owl talk with a live bird, build a “ghost horse” house to take home, enjoy a “silence” hike to attempt to call in owls and have a good meal. Program fee is \$10 per participant.

“The experience of walking through a cold winter’s night listening for owls will be a favorite memory for our participants,” says Marvin McNew, Director of Upper Wabash Interpretive Services. “The pause to listen for sounds from the wild and to notice nature’s beauty can bring a wonderful sense of peace.

The Upper Wabash Interpretive Services is headquartered in the Salamonie Interpretive Center 3691 S New Holland Road, Andrews, 46702. The Silence of a Winter’s Night is located at J. Edward Roush Lake, property office address 517 N. Warren Road, Huntington, 46950.
